- **Newsletter is all set**
  - Just edit and add links and pictures.
  - I'll be available all weekend if you need eyes on a blog post/statement on HP or Alewife (depending on what is on the agenda). Keep me posted on both!

- **HP Email List**
  - I'm attaching an excel spreadsheet with email addresses of all the Cambridge people who wrote in. There is also a draft in your drafts folder that has all of the emails in the "bcc" line.
  - There are 165 emails as of **3:30pm** when I stopped. If others write in, just add them to the bcc line and put the email in the HP folder.
    - I'm only including the excel in case for some reason the bcc line doesn't work. But it should and you shouldn't have to use the excel.
  - The list includes people who were in support and opposed (majority were opposed)—keep that in mind with a response.

- **4/23 Agenda: Items you have on the agenda**
  - Healthy Incentives Program Supplemental Funding Resolution
  - Radio Interference Consumer's Council Policy Order
  - HSQ Bus Tunnel Policy Order
  - Frank Bidart Pulitzer Prize Congratulatory Resolution
  - Poorman's Landing Policy Order
  - Mass Cultural Council Budget Resolution
